**Jannick Lemke**, Leadmanager, Ishøj, Danmark  
**Jens Lerdorf**, Designer, Independent 5G health and DNA studies have sadly been rejected and downplayed. But DNA damage is irreversible and can destroy life as we know it. So totally unacceptable that we do not have any consumer EMF right and have to sign up to stop the 5G roll-out, to protect our health and millions of years of evolution. Thank you so much for this good initiative., Tranekaer, Langeland
